

TRYKA

A photograph of three runners in motion. In the center is a bald man with a focused expression, wearing a dark blue t-shirt with 'TRYKA' in red and dark shorts. To his left is a woman with dark hair, also in a red 'TRYKA' t-shirt and dark shorts. To his right is an older woman with grey hair, wearing a red t-shirt with a white geometric logo and grey shorts. They are running on a dark surface, possibly a track, with blurred lights in the background.

RULE BOOK VERSION 1 25/26

1. GENERAL RACE RULES

1.1 PRECONDITIONS FOR PARTICIPATION

- Participants must be at least 16 years old on the day of the race.
- Official rankings will be determined based on the athlete's biological gender at birth. However, individuals wishing to participate for recreational purposes, without being included in the official ranking, may register under their gender identity.
- Each Athlete must agree to the terms and conditions of participation.
- The only method to register for a TRYKA event is via www.tryka.fit or buy a resale ticket through Hybrid Tickets, our official resale partner.

1.1 PREGNANT ATHLETES

Pregnant athletes are welcome to participate at their own discretion and responsibility. It is strongly recommended to consult a medical professional prior to competing to assess potential risks. Pregnant athletes wishing to adapt movements or modify prescribed weights/reps should contact the TRYKA team in advance. Such adaptations will result in the athlete being marked as 'Out of Competition,' excluding them from official rankings but allowing them to receive a finish time.

1.2 PARTICIPATION WITH PHYSICAL LIMITATIONS

Injured athletes must obtain medical clearance from a qualified health professional before participating in a TRYKA event. Any necessary modifications to movements or prescribed weights/reps must be discussed with the TRYKA team beforehand. Modifications for injury-related reasons will also result in being marked as 'Out of Competition,' with the athlete receiving a finish time but being excluded from rankings and qualification opportunities.

2. TRYKA RACE FORMAT

2.1 WAVE STARTS

TRYKA races utilise wave starts at regular intervals (e.g., every 10 minutes). Each athlete will be assigned an official start time communicated prior to race day and confirmed at check-in. athletes must display their official start time visibly on their arm.

Important Notes:

- Starting in an incorrect wave without prior approval will result in disqualification (DQ).
- Timing chips must be worn on the ankle; failure to do so will result in a 'Did Not Start' (DNS) result.
- Avoid entering the TRY Zone or run course before the official start time to prevent incorrect timing chip activation.

2.2 TRYKA SINGLES & DOUBLES RACE FORMAT

A TRYKA race consists of a run followed by a workout station, repeated 8 times. To receive a valid finishing time, athletes must:

- Start at their designated start time.
- Complete runs and workouts in the prescribed order (Run 1, Workout Station 1, Run 2, Workout Station 2, etc.) until completing a total of 8 runs and 8 workout stations.
- For TRYKA 500, the runs are 8 runs of 500m and for TRYKA 800, the runs are 8 runs of 800m.
- The workouts are all in the TRY Zone inside the run track.
- Wear the issued timing chip on an ankle at all times.
- Doubles partners must stay together for all runs and all stations. A time penalty will apply for non-compliance.
- Doubles operate the stations on IGYG, while they must complete the runs together.

2.3. TRYKA RELAY RACE FORMAT

The TRYKA Team Relay is a 4-person hybrid fitness race combining running and functional workout stations. Designed to challenge strength, endurance, teamwork, and strategy, the relay offers three divisions: Men's, Women's, and Mixed.

Each team member will complete:

- 2 x 800m runs
- 2 workout stations

A relay member may complete their 2 stations consecutively or split, for example relay member 1 can do stations 1 and 2 or alternatively can do stations 4 and 7.

The team will cover 8x800m's of running and 8 functional workout stations between them. Teams failing to have all 4 members complete 2 runs and 2 workstations each will be DQ.

2.31 RELAY CHANGEOVER PROCESS

- The Transition Zone (TZ) is the designated area for changeovers.
- The 3 non-working relay members will remain in the TZ..
- When an athlete finishes their workout station, they must run to the TZ and high five their teammate to signal the changeover.
- The next athlete may not leave the TZ until they receive a high five from their teammate.
- This process is repeated until the final athlete completes their segment.

2.32 RELAY FINISH LINE

- The final athlete on the team will complete their 800m run and final workout station.
- They will then complete the 40m sprint finish. Once they cross the finish line after the last station, the team's time is officially recorded.
- Teammates may join them after they complete the burpee broad jumps, there will be a designated waiting area, and they can all together as a team complete the 40m sprint. The time is determined for the team when the athlete that completed the burpee broad jumps crosses the line.

3. STATION RULES AND REGULATIONS

- Complete all of the workout stations in the correct order, 1 to 8.
- Enter and exit each workout station via the designated routes.
- Enter the TRY Zone through the designated 'IN' arch and exit through the 'OUT' arch; entering or exiting through the wrong arch will incur a 2-minute time penalty.
- Complete the prescribed number of repetitions/distances and perform each exercise according to the movement standards and correct weights.
- Only use assigned equipment and lanes at the stations assigned by the judge/headjudge, with penalties for non-compliance.
- Only event-provided chalk may be used at designated workout stations; penalties apply for violations.
- Fluids provided at aid stations are for drinking only and should not be used for active cooling; penalties for misuse.
- No Water or Hydration liquid is allowed in the station areas, 2 min penalties apply for each infringement.
- At no time can there be any external assistance, this can result in a penalty up to a DQ.
- Athletes are not allowed to clear their nose onto the track or station. Spitting on the ground is also forbidden.
- Athletes are not permitted to pour water over their head anywhere on the race track or in stations (Rapid Cooling)

4. RUNNING RULES

All TRYKA courses will feature consistent distances, combining the run course, TRY Zone, and workout stations. The running segments are typically 800m and 500m, with variations possible based on the venue.

Athletes running at a “fast pace” are required to overtake on the right side of the running track, while other athletes should stay on the left side of the running track. Compliance with TRYKA crew instructions is mandatory. Any athlete shoving, pushing or shouting at another athlete to get out of the way will be subject to penalty, up to and including DQ.

5. MOVEMENT STANDARDS, DISTANCES, AND WEIGHTS

It is the responsibility of each athlete to complete all run segments and workout stations as prescribed, in the correct sequence, and to clearly demonstrate that all required movement standards are being met throughout the race.

Any execution of a run or movement that deviates from the prescribed standards, appears unusual or uncommon, or provides a competitive advantage will not be recognized. Such actions may result in a no rep or a time penalty, depending on the station.

15. AGE CATEGORIES AND DIVISIONS

These are the age group and divisions and apply to all single and double categories

- U24 (16 - 24)
- 25 - 29
- 30 - 34
- 35 - 39
- 40 - 44

- 45 - 49

- 60 - 64
- 65 - 69
- 70 - 74
- 75 - 79
- 80 - 84
- 85 - 89

Single division - Women 500, Women 800, Men 500, Men 800, Women Pro and Men Pro

Doubles divisions Women Doubles 500, Women Doubles 800, Men Doubles 500, Men Doubles 800, Mixed Doubles, Women Pro Doubles and Men Pro Doubles.

Adaptive categories apply for all divisions.

These are the age groups and apply to all relay categories

- Under 40 (U40)
- 40+

The divisions for relay are

- Women (4 female athletes) - women's weight category
- Men (4 male athletes) - men weight category
- Mixed (2 male + 2 female athletes) - mixed doubles weight category

A participant's age group is determined by their age at the date of the event. If an athlete will turn 40 at their next birthday in December 2025 and they are competing in an event in October of 2025, they will compete in age group 35-39

For doubles, you add the age of the two athletes on race day and divide by 2. That will determine your age category. So athlete 1 is

52 and athlete 2 is 36 on race day, they will race in the 40-44 age group.

16. AID STATIONS

Aid stations will be strategically placed along the run course and within the TRY Zone. Water and hydration fluids will be available at designated points in the TRY Zone

17. MEDICAL

Medical personnel will be present at the event. Athletes experiencing medical issues should seek assistance from medical staff. Medical staff have the authority to remove an athlete from the competition if they deem it necessary for the athlete's safety.

18. PHOTOGRAPHY AND VIDEOGRAPHY

TRYKA reserves the right to use photographs and videos taken at the event for promotional purposes. Athletes agree to this by participating in the event.

19. LOST AND FOUND

A lost and found area will be designated at the event. TRYKA is not responsible for lost or stolen items., and does not take any responsibility for any items that are left at the bag drop. Bag drop is used at the athlete's risk.

20. EVENT SCHEDULE

A detailed event schedule will be provided closer to the event date. Athletes are responsible for knowing their start time and the overall schedule.

21. RESULTS

Official results will be posted on the TRYKA website after the event. Athletes can view their individual results and rankings.

This rule book serves as a comprehensive guideline for all participants in TRYKA events, ensuring a fair, respectful, and competitive environment for all athletes.
